New built house in Moroccan style, situated one minute from the beach with a nice big terrace at first floor, for nice spacy sleeping rooms with small balcony in each one and a very wide kitchen and dinning room at ground floor connected outside with a nice garden with flowers and trees and a grill place. All including first class furnishings and situated in a quiet, seduded area with its own water. Boat service was deserving for the place and the road services is 15 minutes to Puerto Galera Pier.
